Feels Like Home

Basement Jaxx

Hold my hand while u sleep
So when u dream I'm there with u

Hold my hand while u sleep
So when u dream I'm there with u

Home
Feels like home

I hurry to make my way home
Cos you are my truth and my light
And when night falls I search for u
Make my way closer to you, closer to you

Hold my hand while u sleep
So when u dream I'm there with u

Feels like home
