Please Come Home for Christmas

Bon Jovi

Bells will be ringing the glad, glad news
Oh what a christmas to have the blues
My babys gone (my babys gone) I have no friends
To wish me greetings once again

Choirs will be singing silent night
Those christmas carols by candlelight
Please come home for christmas (please come home)
Please come home for christmas (please come home)
If not for christmas by new years night

Friends and relations send salutations
Just as sure as the stars shine above (yes they do)
This is christmas, christmas my dear
The time of year to be with the one that you love

Then wont you tell me, youll never more roam
Christmas and new year (christmas and new years)
Will find you at home
Therell be no more sorrow, no grief or pain
Ill be happy (happy) that its christmas once again
