Alberta #2

Bob Dylan

Alberta, let your hair hang low, Alberta, let your hair hang lo
w,
I'll give you more gold than your apron can hold
If you'll only let your hair hang low.

Alberta, what's on your mind, Alberta, what's on your mind ?
You keep me worried and bothered all of the time
Alberta, what's on your mind ?

Alberta, don't you treat me unkind, Alberta, don't you treat me
 unkind ?
My heart is so sad because I want you so bad
Alberta, don't you treat me unkind ?

Alberta, let your hair hang low, Alberta, let your hair hang lo
w,
I'll give you more gold than your apron can hold
If you'll only let your hair hang low.
