Monopoly

Bowling For Soup

It's good to see you
Would you like to sit and talk about it
Or do you want to waste my time
And sit around and play your games

This time I can't be wrong
I've got to get away from you
Don't even ask me for a why?
Cause you know that's because of you

I don't know what I've done so wrong
I can't believe it's come to this
Throw down my arms again
This time I hope
And I don't care what you do with your life
Stay away from me and my time
Just go away, Just go away, Just go away
Just go away, Just go away, Just go away now
Go away, Just go away, Just go away and leave me alone

It seems to be that suddenly
You mistake me for somebody who cares
I'm not your friend
So think again
It seems to be that suddenly
You mistake me for somebody who cares
I'm not your friend
So think again

I'm glad I found you
But I wish that I could lose you just the same
I know you want to waste my time
And sit around and place your blame
