Reckless

Papa Roach

```
1. Please forgive me while I turn out the lights
   Watch this haunted day turn into a wasted night
   So cut me off throw me down
   Cause I'm reckless
   I'm reckless
   god damn son of a bitch

R: I'm reckless
   So reckless
   God save me from this madness
   I'm reckless
   So reckless
   God save me from this madness

2. I'm walking on broken glass from the wreckage of my past
   I'm locked up in a cage 'cause I'm a prisoner of my ways
   So cut me off throw me out
   'Cause I'm a reckless,
   I'm a reckless
   god damn son of a bitch

R: I'm reckless...

   Fis5                D                           fis
*: Thank God I've got a woman with my name across her heart
   Loving me ain't easy loving me is hard
   I'm sorry about the madness but that's the way its gotta be
   Cause it takes a crazy woman to love a reckless man like me

R: I'm reckless...
