Glycerine Version 4

Bush

1. Must be your skin i'm sinkin' in
   Must be for real 'cause now I can feel
   I didn't mind it's not my kind
   It's not my time to wonder why
   Everything's gone white everything's gray
   Now you're here now you're away
   Don't want this remember that
   I'll never forget where you're at

R: Don't let the days go by glycerine
   glycerine

2. I'm never alone I'm alone all the time
   Are you at one do you lie
   We live in a wheel where everyone steals
   And when we rise it's like strawberry fields
   Treated you bad you bruise my face
   Couldn't love you more you've got a beautiful taste

R: Don't let the days go by could've been easier on you
   I couldn't change,though I wanted to
   Should've been easier by three our old friend fear, and you and me
   glycerine glycerine

   Don't let the days go by glycerine

   don't let the days go by aye aye

   glycerine glycerine

   glycerine glycerine

   bad moon white again bad moon white again

   as she falls around me

3. Needed you more you wanted us less
   Could not kiss just regress
   It might just be clear simple and plain
   Well that's just fine that's just one of my names

R: Don't let the days go by could've been easier on you,you,you
   glycerine glycerine
   glycerine glycerine
