# What Do U Want

**Cassie**

Let's Go!

I got a crew in every single nation
(uh-oh uh-oh uh-oh uh-oh)
You didn't know when you started altercation
(uh-oh uh-oh uh-oh uh-oh)
Boy u caused me to much aggravation
(oh-no oh-no oh-no oh-no)
My hommies want to sit down and have a conversation
(yea yea yea yea yea yea yea yea)

What do u want from me
How can I give it to u
What do u want me to do
What do u want from me

The devil gave this sweet little cupcake
(uh-oh uh-oh uh-oh uh-oh)
