Demolition Hammer

Shards of glass fill the air
Shattered bone
Stench of gasoline
Smoke and blood
D.O.A.

Loss of control
Intoxicated.
Final approach
An early grave

Merging man and machine
Synthesized
Impact breaks your neck
Like a twig
Integrate

Twisted crucifixion
Contorted

Once a human being
Now gracefully distorted
Mass velocity
A grotesque twisted portrait

Obsessed with power
And destroyed by speed
Abuse of power
Melding man and machine
