Something

Joe Cocker

```
1. Something in the way she moves,
   Attracts me like no other lover.
   Something in the way she woo's me;
   Em                      Em/maj
   I don't want to leave her now;
   You know I believe, and how.

2. Somewhere in the way she smiles,
   Reminds me that I'll always think of her.
   Something in the way, she smiles for me;
   I don't want to leave her now;
   You know I believe, and how.

R: You're asking me, will my love grow?
   I don't know, I don't know.
   Just stick a-round now, it may show.
   I don't know, I don't know.

3. Something in the way she moves,
   Attracts me like no other lover.
   Something in the way she woo's;
   I don't want to leave her now;
   You know I believe, and how.

R: You're asking me...

4. Something in the way she moves,
   Attracts me like no other lover.
   Something in the way that she woo's me;
   I don't want to leave her now;
   You know I believe, and how.
```
