Got My Heart Set On You

John Denver

Ever since the day I met you
I feel like I'm walking on air
And lately I'm convinced, it's no coincidence
I run into into you everywhere

And though I've heard your love is taken
I gotta believe what's in your eyes
Would I be out of line if I suggested a time
And we got together one of these nights

Got my heart set on you
You're everything I've ever wanted
Got my heart set on you
Can't be anything but love
Baby I'm bettin' on it

I don't want to give you the wrong impression
I'm not the kind who rushes in
But baby every time I see you, before I even leave you
I can hardly wait to see you again

Got my heart set on you
You're everything I've ever wanted
Got my heart set on you
Can't be anything but love
Baby I'm bettin' on it

I don't mean to be coming on strong
Or taking everything for granted
But love is a thing that just comes along
You don't understand how it got out of hand
But you're in it right from the start

Got my heart set on you
You're everything I've ever wanted
Got my heart set on you
Can't be anything but love
Baby I'm bettin' on it
