"The ancient whispered secrets
Massed into nuclear skies
Seek the unholy, in the darkest of places
Cryptic equations light the madness in our eyes"

Unholy radiance - Nuclear Necropolis Pariah Leper-cult - In atomic bliss

Black towers rising Under a skeleton scythe

Thermo-cardinal hexe Sworn by phantom quires

Radiation witch fire - Spreads like cyclonic whips Genocide war cult - Convoking the merciless blitz

Dark prayers recited
Drifting through acid winds
In endless repetition
Like an everlasting paramount sin

Unholy prophecies - Apocalyptic radiance Death-weaving carrion cult - Thermonuclear contempt

Skeletal towers rising Through ammoniac storms Towards a rusted altar The congregation worms

Spiritual parasite - Atomic high-priest Suicidal death-cult - Holocaustic feast Omega necro-mesiah The ancients whispered your name Merciless soul-corruptor The wrath of old poisons will reign

Atomic Chapel - Haereticus, amen fiat voluntas tua

Atomic Chapel - in nomine mori

Atomic Chapel - Revoco minaciae ultimum

Atomic Chapel - Lex Diaboli
