

Weed

1990s

Why don't you try taking drugs again?
You were never funnier than you were back then
You never go to parties
Why is that?
Such a drag, not being seen with you

Well I've been sat at home
Smoking too much weed now
I'm even scared of the telephone
And I don't even got one

Oh-oh-oh-ohh
Shine a light of love
All over me

If you talk to the clowns
They let you down
You speak only to the ringmaster

If you talk to the clowns
They let you down
You speak only to the ringmaster

If you talk to the clowns
They let you down
You speak only to the ringmaster
