2 Unlimited

OH, OH, all right; OH, OH, allright  
OH, OH, all right; OH, OH, allright  
OH, OH, all right; OH, OH, allright  
My property, my property

OH, OH, all right; OH, OH, allright  
OH, OH, all right; OH, OH, allright

What's mine is mine hold there's the line  
Stop following me from the back all of the time  
There's one of me, one of a kind  
Sorry I'm first, excuse me do you mind  
You wanna be the same and put me out of frame  
I got my own style, so you must be insane  
Yes there's something else you can find  
So don't touch mine, what's mine is mine

Why do you want to be like me?  
Why do you want what's mine?  
You know this is my property, babe, you're losing this time  
You are wasting time and energy cause you just can't take what's mine  
You better save your time and energy gotta get it out of your mind  
What's mine is mine!

Step back, step back  
What's mine is mine  
What's mine is mine  
You're wasting your time  
Step back, step back  
What's mine is mine  
OH, OH, all right

Don't waste your time and energy  
Cause nobody in the world can be like me  
You're looking for something I already found  
A smoother move, a better sound  
Represent yourself as me, myself, and I  
Make your own plan, come on and try!  
Ideas nowadays are hard to find  
But don't touch mine what's mine is mine!

Why do you want to be like me?  
Why do you want what's mine?  
You know this is my property, babe, you're losing this time  
You are wasting time and energy cause you just can't take what's mine  
You better save your time and energy gotta get it out of your mind  
What's mine is mine!

OH....  
What's mine is mine  
What's mine is mine  
OH, OH, all right, OH, OH, all right, OH, OH, all right  
My property, my property, OH, OH, all right, OH, OH, all right, OH, OH, all right  
What's mine is mine
