Clearly there's no faith in me This one's for recovery Sleeping while you took control Time to reclaim what you stole

Sound like an ocean rolling to you

Wintertime, now I'm in bloom
This black blossom meant for you
From this seed of misery
Falling for recovery

Sound like an ocean rolling to you Sound like an ocean rolling to you

Waves of words and waves of sounds Flooding through your holy ground From this sea of misery Seeking out your company

Sound like an ocean rolling to you rpt...
