

# Girls 101

28 Days

And prepare to be educated

2 to the motherfuckin 8  
to the motherfuckin D  
to the motherfuckin MC to be  
that's me  
Jimmy D and I'm rocking freestyle  
Off the top of my head  
You all can do it for a little while  
just trying to find a rhyme said stop ?  
Because I smoke to much pot, around the clock  
Cos' I know you know me  
Cos I love to hit that bong, here we go  
Yea here's the chorus to the song

Girls like guys who rock  
At the end of the night they end up on a cock  
I don't give a fuck what you say  
You can mock me cause  
I'm still Jimmy from the block, sing it

Girls like guys who rock  
At the end of the night they end up on a cock  
I don't give a fuck what you say  
You can mock me cause  
I'm still Jimmy from the block, swing it

Opps I nearly missed my spot  
I'm meant to rhyme here  
I got the time here to rock all night  
With a tongue full of wisdom nuts full of jizz  
I'm looking for  
I travel all night looking for a fight  
Well if a fights want you want  
Fuck you is what I'm givin'  
Cause I'd rather fuck a girl than fight  
That's how I'm living  
And id fuck her till she see's the light  
Because i'm driven to root like a rabbit all night  
Or a gibbon

Girls like guys who rock  
At the end of the night they end up on a cock  
I don't give a fuck what you say  
You can mock me cause  
I'm still Jimmy from the block, sing it

Girls like guys who rock  
At the end of the night they end up on a cock  
I don't give a fuck what you say  
You can mock me cause  
I'm still Jimmy from the block, swing it

Here we are  
Oh yeah  
So she says..  
Hey 28 what's up

My name is sally  
And I'm ?so called? looking to fuck you in an alley  
And my boyfriend really sucks  
And I'm told that you would take me back stage  
and get me naked like a centrefold

Swing that thing, swing that thing  
Won't you get a taste of my secret weapon  
Swing that thing as the DJ cuts  
And then the girls in the tight pants say whats up

Girls like guys who rock  
At the end of the night they end up on a cock  
I don't give a fuck what you say  
You can mock me cause  
I'm still Jimmy from the block, singing

Girls like guys who rock  
At the end of the night they end up on a cock  
I don't give a fuck what you say  
You can mock me cause  
I'm still Jimmy from the block, dig it

Oh yeah  
Girls like  
Oh yeah  
Girls like guys who rock  
Girls like cock  
Girls like guys  
Guys who rock  
Girls in the tight pants say what's up
