

## She's Waiting

28 Days

yeah my girl she's so pretty  
always waiting when I get home  
she's always wants to lick me  
and she wears a shiny fur coat

she's always waiting when I get back home  
when I get back to my house  
I know that she's always waiting

my girls name is katie  
and she's always there for me  
and I'll tell you right now  
I love her and how
