Whiskey bottles, and brand new cars Oak tree you're in my way There's too much coke and too much smoke Look what's going on inside you

Oh that smell
Can't you smell that smell
Oh that smell
The smell of death surrounds you

Angel of darkness is upon you Stuck a needle in your arm So take another toke, have a blow for your nose One more drink fool, will drown you

Oh that smell
Can't you smell that smell
Oh that smell
The smell of death surrounds you

Now they call you Prince Charming
Can't speak a word when you're full of 'ludes
Say you'll be all right come tomorrow
But tomorrow might not be here for you

Oh that smell
Can't you smell that smell
Oh that smell
The smell of death surrounds you

Hey, you're a fool you Stick them needles in your arm I know I been there before

One little problem that confronts you

Got a monkey on your back

Just one more fix, Lord might do the trick

One hell of a price for you to get your kicks

Oh that smell
Can't you smell that smell
Oh that smell
The smell of death surrounds you

Oh that smell
Can't you smell that smell
Oh that smell
The smell of death surrounds you
