

They Cut Wrong My Hair

31 Minutos

Because of saving myself the hairdresser,
they cut wrong my hair today.
What am I going to do now?
This ain't getting any better

My friends will make fun of me
I can't go back to school again

Not even with a different hairdo
This has not any improvement
Because of saving myself the hairdresser
Now i must wear a hat forever

My friens will make fun of me
I can't go to school anymore
His friends, we will make fun of him
He can't go back to school again

There's just one comfort left for me
Wait for my hair to grow long again
