

Girl it's so unreal  
the way you make me feel  
I've gotta give it up to you  
girl sometimes it seems  
what you really need  
is someone who will be right here with you  
oh ho  
oh girl I think I'm lying  
it's no mistake  
I'm here for you  
I came to tell you baby  
love's here to stay  
so you'll never feel  
so sad or lonely  
baby you can call me crazy  
there's nothing that I wouldn't do  
girl I wanna spend my life with you  
I wanna be, I wanna be  
even though you're not my lady  
all I wanna really do  
is spend my life and be right here with you  
so if you ever need sensitivity  
baby you know just where to go  
cause girl it seems to me  
something that you really need  
is someone who will be right here with you  
oh ho

Oh girl I know I'm crying[?]  
it's no mistake  
I'm here for you, only you  
I came to tell you baby  
love's here to stay  
so you'll never fell so sad or lonely again again  
baby you can call me crazy  
there's nothing that I wouldn't do  
girl I wanna spend my life with you  
even though you're not my lady, even though you're not my lady, baby  
all I wanna really do  
is spend my life and be right here with you, I wanna spend my life with you  
love's here to stay  
baby you can call me crazy  
there's nothing that I wouldn't do  
girl I wanna spend my life with you  
even though your not my lady, not my lady  
all I wanna really do, all I wanna do  
is spend my life and be right here with you, I wanna be, I wanna be  
baby you can call me crazy, call me crazy  
there's nothing that I wouldn't do, baby  
girl I wanna spend my life with you, spend my life with you  
even though you're not my lady, even though you're not my lady  
is spend my life and be right here with you  
I wanna spend my life with you
