40 Below Summer

Hey baby, I'm choking (I'll help you breathe) Hey baby, I'm smoking (I'll set your mind at ease) I feel you inside (what do you want from me) I want you to open wide I'm needing to touch you (do you fiend for me) I'm needing to fuck you (would you bleed for me) And you wanted it all - Before I fall Hey girl, better get up and move -Watch that ass, cause I come to groove When I tasted you, then I wanted more -Inside you I was reborn Lay down and you injected -Fill my veins up - I've been infected Your disease runs through me -Fills me up every time you do me It's all about the pain you put me through -It's all about the pain you put me through -It's all about the pain you put me through -It's all about you Hey woman, come thrill me (all night long) Hey woman, come fill me (I'll make you strong) I can feel the way you (The way I what) You touched me with betrayal (and I tear you up) I loved you, you moved me (I'm your little girl) Your very touch consumes me (step into my world) And then you'd rape me -And then you'd disgrace me Open up and heed my words -Listen up as I kick the verbs Walk the line of love and disturbed -You're gonna get just what you deserve I don't want you, I don't need you -I love you, but I don't believe you You're just a waste of time -Get the fuck out of my mind It's all about the pain you put me through -It's all about the pain you put me through -It's all about the pain you put me through -It's all about you I can't kill all this pain - you know I burn in hell -Can't refrain I just might as well go insane inside I'm screwed - you ripped my heart in two -There's nothing that I can do All the shit you put me through -I still love you (do you really) It's all about you (it's all about me) I'd do anything for you (bitch)
