Step Into the Sideshow

40 Below Summer

Come step up to the plate And please allow me to demonstrate As you step into the rear of the sideshow bus Strap it on cuz it's time to get a head rush Twist the cap and tap the bottle That's my motto - here it comes full throttle Straight up at ya from 40 Below Freezing - you're bleeding as you feel the winds blow

Can not stop this, you can not break this, you can not crush this Get your ass out the way

I see you shakin cuz the time's up wreck that ass with my starting line-up Bolos and body blows, hooks and haymakers re-animate, suffocate your breath taker Kick down your doors - excuse the intrusion swift and clean over the execution Quick get shot - you're rocked - it'll bend you over This is the sideshow, bitch - I thought I told ya

Can not stop this, you can not break this, you can not crush this Get your ass out the way

You can't escape the disease of the freeze of the sideshow release - come and bring you to your knees This is the last straw - I can't control, I explode Now I got you in a choke hold You can't try to get off - you'll get lost - you'll get tossed when I'm up in your face full force You can't try to get passed - you won't last It's your ass - when I rip you in half

I know I ignite like a pyro - burn inside so Step into the sideshow I know - gonna go psycho - might go Step into the sideshow I know I ignite like a pyro - make em burn when they Step into the sideshow Gonna cut em in half really tight - so kickin your ass when ya Step into the sideshow Don't get me hot - you'll catch a right cold - check the eyes, bro Step into the sideshow Punk suck - gonna front on the ride - motherfucker Step into the sideshow I'm bringin all the pain straight out
