It's Bad Boy South Niggaz, Ball and G Orange Mound, the moment you been waitin for Collaboration, c'mon now Let's go, let's go, let's so, c'mon

Straight from the underground, fat boy from the mound Spit it how I live it, keep it gutter, that's how we get down I wanna see you get it crunk, let a nigga know what hood you from Eveybody wit me drunk as fuck, break it down, then roll it up Back it up, a girl like you, a nigga like me can't pass it up Rollin by, lookin good, put it in reverse then back it up What's the deal, lemme make it clear what you got rite here They break mold, one of a kind, fat boy witta gold mouth that shine Hard to touch, sorry to tell you, boys out here ain't hard as us Ball and G, part of the streets, cuz the streets are a part of us Lay it down, please remember, games we don't play them now Disrespect, please remember, stains we gon spray them round

Buss a nigga head, smack a ho, shoot the club up Buss a nigga head, smack a ho, shoot the club up

Bitch...nigga!!!
Bitch...nigga!!!
Bitch...nigga!!!
Bitch...

You don't want drama, no! You don't want none, no! You don't want drama, no! You don't want none, no!

Get up (Get up) Get crunk (Get crunk)

Let's race to the trunk (To the trunk)

Get a pump, unload and dump

Forget it, close the trunk

In the middle of a fire, scotch and burn him, overheat him

Really mistreat him, let's Rodney King him and over beat him

MJG is the reason yo season needed seasonal spices
They needed more life and lucky yo wife was bleedin
Now your life is leavin yo body, for drinkin too much Bacardi
You should've known when you started

Never fuck with ${\sf G}$ and ${\sf E}$

In any climate I'm shinin, floss, I'm perfect wit timin I'm good for rippin and rhymin in and out the beat And Eightball is loadin the clip, for niggaz supposin to trip And you know I'm rollin the whip, we finna set 'em free

Eightball and G, get it crunk fa sho
My swagger, my flavor, my pimpin, my flow
My ho, my woman, my slacks, my denims
My backstroke in swimmin, in pools wit models in 'em
Them boys, they hate it, we hustle, we made it
We richer, the picture, is two of the greatest

The realest, you bump some Ball and G you gon feel it Guaranteed, muhfucker, stamp, sign, seal it

We placin, the fakest, they don't give it up we gon take it The realest up in in this niggaz buckin, bitches shakin

They asses, but cash it, might be a habit Like mics when we grab it, we cock it, we blast it

So here we go, Bab Boy South
Ball and G, Orange Mound
New York collaboration
You don't want no drama, you don't want none
I see you ATL, let's tear this shit up
C'mon, c'mon...I said let's tear this shit up!
Yeah, Ball and G, Bad Boy South
Let's go, let's work these motherfuckers
Let's get this money niggaz, yeah, as we proceed..
