When I was younger I used to wait anticipate Mark my calendar on the release date So IDd be the first to hear the brilliant the ings youDd say IDd skip luch for a week Save up all my money To be the first kid on the block to own your brand new CD Open your eyes open your eyes open your eyes WhoDs gonna show me how to laugh Open your mouth open your mouth open your mouth WhoDs gonna show me how to WhoDs going to show me how to laugh? WhoDs going to jerk tears from my eyes IDve memorized every last word and every note So now whoDs going to write the songs I wish the songs I always wish I wrote that song So did you think you didnDt matter anymore That you werenDt changing peopleDs lives We ll youDre wrong Such poignant words from you I heard Thoughts and emotions that were worth so much more than a cheap slogan on a t-shirt
