

So you think you've got all the answers
But you're never naming names
And you say it's just my attitude
And my appearance is a shame
And the girls I like, I'm shying off
And you don't like fun and games

I said: Stop! Stop!
I said: Stop! Stop!
Stop! Stop!

I get these ultimatums
Because we don't agree on things
And it's not only 'cos I'm lazy
And all the trouble that it brings

I said: Stop! Stop!
I said: Stop! Stop!
Stop! Stop!

Well, I've given up on explanations
'Cos I don't feel in the mood
And you don't even like my music
And you say that I'm much too rude

I said: Stop! Stop!
I said: Stop! Stop!
Stop! Stop!
(2x)
Stop! Stop!
