The Orchid's Sleep

A Canorous Quintet

lost in the halls of dream bound by the chains of a scream here we stand alone never allowed to know what's behind the wall of sleep

imprisoned in a web of night
in search of an emerald sky
the astral body flies, I stand alone
through the dust of ages forlorn
chased by the wind and the storm

enslaved by the orchids sweet scent a tear from the dead mans eye wings of fallen angel burn where's the gold at the rainbows end

it is there but oh so far away flames of fire burns so deep as we fall out of the orchid's sleep

an emerald sky before our eyes disapearing in the morning sun is it for real or is it the dream?

imprisoned in a web of night in search of an emerald sky the astral body flies, I stand alone through the dust of ages... forlorn chased by the wind and the storm enslavved by the orchids sweet scent a tear from the dead mans eye where is the gold at the rainbows end? it is there but oh so far away
