

## Blue

## A Perfect Circle

I didn't want to know  
I just didn't want to know  
Best to keep things in the shallow end  
Cause I never quite learned how to swim

I just didn't want to know  
Didn't want, didn't want,  
Didn't want, didn't want

Close my eyes just to look at you  
Taken by the seamless vision  
I close my eyes,  
Ignore the smoke,  
Ignore the smoke,  
Ignore the smoke

Call an optimist, she's turning blue  
Such a lovely color for you  
Call an optimist, she's turning blue  
While I just sit and stare at you

Because I don't want to know  
I didn't want to know  
I just didn't want to know  
I just didn't want

Mistook the nods for an approval  
Just ignore the smoke and smile

Call an optimist, she's turning blue  
Such a lovely color for you  
Call an optimist, she's turning blue  
Such a perfect color for your eyes  
Call an optimist, she's turning blue  
Such a lovely color for you  
Call an optimist, she's turning blue  
While I just sit and stare at you

I don't want to know
