

# Counting Bodies Like Sheep to the Rhythm of the War Drums

A Perfect Circle

Don't fret precious I'm here, step away from the window  
Go back to sleep  
Safe from pain and truth and choice and other poison devils,  
See, they don't give a fuck about you, like I do.

I'll be the one to protect you from your enemies and all your demons  
I'll be the one to protect you from a will to survive and a voice of reason  
I'll be the one to protect you from your enemies and your choices son  
They're one in the same, I must isolate you...  
Isolate and save you from yourself ...
