

Eat the Elephant

A Perfect Circle

Looming, omnipresent
This task ahead
This task at hand
Ominous and daunting
Crippling undertaking, I'm frozen

Where to begin eludes me
Without you to remind me

Just take the step
Just take the swing
Just take the bite
Just go all in

Where to begin eludes me
Ruling ever deeper
This massive endeavor
Ominous and daunting
Crippling undertaking

Just take the step
Just take the swing
Just take the bite
Just go all in

Take the step
Take the swing
Take the bite
Just take the bite

Take the step
Take the swing
Take the bite
Just go all in

Where to begin eludes me
Without you to remind me
Just begin
