

# The Things We Never Did

A1

You and me  
We sit and talk of friendship then I ask  
If you can see  
If we could be together, forever  
I see the light die in your eyes  
Coz you're scared you'll hurt  
So you don't want to try

Well take a chance and come home with me  
You could stay for eternity  
If you try then at least you'll see  
Then you'll never regret the things we never did

You turn to me, I see your eyes, and somehow they cease to shine  
You smile at me yet I can see, you don't think we can make it  
You see the light die in my eyes, coz I'm scared to lose you  
I wish you would try

Well take a chance and come home with me  
You could stay for eternity  
If you try then at least you'll see  
Then you'll never regret the things we never did

I see the light die in your eyes  
Coz you're scared you'll hurt  
So you don't want to try

Well take a chance and come home with me  
You could stay for eternity  
If you try then at least you'll see  
Then you'll never regret the things we never did

Then you'll never regret the things we never did

Regret the things we never did
