

# Crying Like A Wolf

Aaradhna

Every night I sit by the window  
Crying like a wolf cause your love's gone  
I didn't mean it when I said that I hate you  
Know that I love you

And even if you don't love me anymore  
Then I'll just be here, sitting, crying tears on the floor  
Forever and ever my heart will always remain with you  
And I'll be crying for you you you

I'll be crying like a wolf  
I'll be crying like a wolf  
I'll be crying like a wolf  
I'll be crying like a wolf

I'm thinking to myself - who's loving you now?  
The thought of another is making me break down  
I didn't mean it when I said it's over  
Please don't say it's over

And even if you don't love me anymore  
Then I'll just be here, sitting, crying tears on the floor  
Forever and ever my heart will always remain with you  
And I'll be crying for you you you

I'll be crying like a wolf  
I'll be crying like a wolf  
I'll be crying like a wolf  
I'll be crying like a wolf

Can you hear the beat of my heart?  
Howling at the moon and I hope that you can hear my call  
Come back to me  
Said come back to me

That's the sound of the beat of my heart, boom boom  
Hoping that you will hear my call  
I'm howling at the moon, I hope you hear me baby  
Hear me baby
