

# Keep My Cool

Aaradhna

See you coming my way (my way)  
And I don't know what to do with myself (with myself)  
I feel my heart is beating faster  
As you make your way closer  
No, no, no

It don't feel like butterflies  
If they're small like fireflies  
Cause whenever I look at you  
I heat up and my heart just melts inside

No, no, no, It don't feel like butterflies  
If they're small like fireflies  
Cause whenever I look at you  
I heat up and my heart just melts inside

I've got to got to (got to got to)  
I've got to keep my cool now (cool now)  
Oh oh oh oh...  
Uh uh uh uh...  
I'm tryina keep my cool now now (now now)  
Oh oh oh oh...

I'm tryina make it look like I don't care (care care...)  
But you are standing over there (over there)  
Yea yea yea yea  
I'm laughing with my friends  
And I'm showin up again like it's nothing (like it's nothing)  
Oh oh oh oh oh

It don't feel like butterflies  
If they're small like fireflies  
Cause whenever I look at you  
I heat up and my heart just melts inside

Oh oh oh oh...

You know that I want your love  
Vicious mouth, can't get enough  
I'm sure in time I'll let you know  
But til then I'm a take it slow  
Til then I'm a take it slow  
Take it slow...
