

# Live To Lose

Aaron Shust

Take my life, take it all  
I lay it at your throne  
I am rich, satisfied  
when I am your alone

(chorus)

I have learned to live to lose  
I have found my all in you  
I cannot hold it all,  
it's lost, it's true  
cause I have learned to live  
to lose

precious one  
crucified  
died to set me free  
I hold nothing back from you  
who gave it all to me

(chorus)

Jesus you're the one  
you're the only one for me  
(repeat 3x)

(chorus)

Yes, I have learned to live to lose  
to live to lose
