Little Love

Come on dance around shine upon the ground from me to you don't you know i'm strong I could win the world for you for you don't you ever cry I would stop breathin' for you for you don't worry life is easy don't worry life is easy did you ever fly let me teach you how I'll do I'll do drive upon the mountains dive into the moon I'll do I'll do don't worry life is easy don't worry life is easy be my unicorn I'll chase all the dragons for you for you I'll build you a castle silver gold it's your favorite color i'have been told don't worry life is easy don't worry life is easy
