## **Under Attack**

Don't know how to take it, don't know where to go My resistance running low And every day the hold is getting tighter and it troubles me so (You know that I'm nobody's fool) I'm nobody's fool and yet it's clear to me I don't have a strategy It's just like taking candy from a baby and I think I must be

Under attack, I'm being taken About to crack, defences breaking Won't somebody please have a heart Come and rescue me now 'cause I'm falling apart Under attack, I'm taking cover He on my track, my chasing lover Thinking nothing can stop him now Should I want to, I'm not sure, I would know how

This is getting crazy, I should tell him so Really let my anger show Persuade him that the answer to his questions is a definite NO! (I'm kind of certain that's the truth) Guess I'm kind of flattered but I'm scared as well Something like a magic spell I hardly dare to think of what could happen, where I'd be if I fell

Under attack, I'm being taken...

Under attack, I'm being taken...
