

## It Ain't Easy

Abigail Washburn

I know, I know, I know you  
I know you know you know me too

So, when the sun went down  
And I lost your eyes  
I prayed to God let the light  
Shine off you again  
It ain't easy leavin' you

Without a sound  
I remove your crown  
Your green dress glows  
As the stars go round  
I pray to God let the darkness  
Cheat the dawning light

Musical interlude

So, when the sun went down  
And I lost your eyes  
I prayed to God let the light  
Shine off you again  
It ain't easy leavin you

I know, I know, I know you  
I know you know you know me too
