Green Heart

Thuringian plain, deep dark forest Evil dwells on there in the woods Snowcovered hills, cold winds blowing Romantic place, is it understood?

Evil in the forest in Germany's Green Heart!

Hateful savages, strong black minds Out of the forest, kill the human kind Burn the settlements and grow the woods Until this romantic place is understood!

Evil in the forest in Germany's Green Heart!

Animals, beasts, horrend landscape Cause there are no signs of human living When you look around no human living Now this romantic place is understood!

Evil in the forest in Germany's Green Heart!

Absurd
