

Night Prowler

AC/DC

Somewhere a clock strike midnight
And there's full moon in the sky
You hear a dog bark in the distance
You hear someone's baby cry

A rat runs down the alley
And a chill runs down your spine
And someone walks across a grave
And you'd wish the sun would shine

Cus no one's gonna warn ya
And no one's gonna yell attack
And you don't feel the steel
Til it's hanging out your back

Im your night prowler
Asleep in the day
Night prowler
Get out of my way
Yeah im your night prowler
Watch out tonight
Yes im your night prowler
When you turn off the light

Too scared to turn your light out
Cuz there's something on your mind
Was there a noise outside the window
Whats that shadow on the blind

As you lie there naked
Like a body in a tomb
Suspended animation
As I slip into your room

I'm your Night Prowler
Asleep in the day
Yeah im your Night Prowler
Get outta my way
Look out for the Night Prowler
Watch out tonight
Yes im your Night Prowler
When you turn off the light

I'm your Night Prowler
Asleep in the day
Yes I'm your Night Prowler
Get outta my way
Look out for the Night Prowler
Watch out tonight
Yes I'm your Night Prowler
When you turn off the light

I'm your Night Prowler
Break down your door
I'm your Night Prowler
Crawling cross your floor
I'm your Night Prowler

Make a mess of you (yes I will)
Night Prowler

And I'm telling this to you
There aint nothing
There aint nothing
There's nothing you can do
