

(Opening lines are spoken as a sermon- "John 10")

I am the door

By me if any man enter in he shall be saved

And shall go in and out and find pasture

The thief cometh not but for to steal

And kill and to destroy

But I have come that they might have life!

And that they might have it more abundantly

Restless folks live restless lives

But the father hears their cries

He can feel the sorrow they feel

Jesus came to empathize

More than you can realize

Offering a life that is real

Chorus:

Since he came to give us (life)

There's been nothing like this (life)

I'm complete within His life

Such a source of healing (life)

Simple truth revealing (life)

There's no other feeling life

Repeat Chorus

Many who have heard His voice

Often fail to make the choice

Giving Him the total control

Burdens He could take today

They will carry anyway

Hopelessly to pilot their souls

Repeat Chorus (2x)

Giving us life - His life - There's no other life

He's giving us life, oh yes He's giving us life - There's no other life

There's no need for living down

When there's happy life around

Look at what the master has done

Give it time and you will see

You can sing along with me

This is why the Savior has come

Repeat Chorus (2x)
