I love to sing and I love to pray
I worship the Lord most every day
I go to the temple and I just want to stay
To hide from the hustle of the world and its ways

## Chorus:

I love to live on a mountain top
And be fellowshipping with the Lord
Love to stand on a mountain top
Because I love to feel my spirit soar
But I must come down from that mountain top
To the people in the valley below
They'll never know that they can go
To the mountain of the Lord

They can go to the mountain yeah...

Praising the Father is a good thing to do I worship the trinity in spirit and truth But if we worship all of the time There would be no one to lead the blind

## Repeat Chorus

Well I am not saying that worship is wrong Worship is more than just singing a song It's all that you say and everything that do It's letting His spirit live in you

## Repeat Chorus

They can go to the mountain of the Lord
They can go yeah
They can go (they can go to the mountain)
They can go yeah
They can go (go to the mountain)
They can go, they can go to the mountain (fade)
