

# Living In Danger

Ace Of Base

Live for yourself, it's a wonderful thing  
You can do what you want, you can live in a dream  
Get in, get up, get the rhythm, get down

You're living your life in peace and in harmony  
You making your own decisions  
That's how it's got to be for you and me  
So many people are running around and 'round  
Without no sense of logic

I see lies  
In the eyes of a stranger  
Woah  
You'll be living in danger  
In the eyes of a stranger  
Woah  
You'll be living in danger  
In the eyes of a stranger  
Woah  
You'll be living in danger

People are the same today as they used to be  
The same expectations  
So high no one can reach that high  
Not I nor you get satisfied today  
We'll never get enough

In the eyes of a stranger...
