

Easy Rider

Action Bronson

Praise the lord, I was born to travel
Feeling like Slash in front of the chapel
I'm leaned back with the Les Paul
Shit I smoke is like cholesterol
Spilled dressin' on the vest at the festival
The best of all, had a midget Puerto Rican at my beckon call
Best believe that there was neck involved
Fucked around and almost wrecked the Saab
Uh, we took acid for ten days straight up in the mountains
Started running with the stallions
Playing frisbee in the West Indies
Did the tango with my kidneys
Eyes open, now I know just who my kids need
Rockin' very loose pants, yeah
Rockin' very loose pants, yeah
Bury a million in the sand, by the clock tower
Before I die, take a hot shower

Ride the Harley into the sunset

By chance I seen her in the lobby of the Ritz
With her man, the one that swings a hockey stick
I was wearing all white, and my hair was looking precious
Shit, I might cop a chest and a dresser
A little machine to make espresso
I heard your man still wears Ecko
Packed trucks behind the blocks at the Checko
Live from the Expo, X-Men
I wear the wolf in the winter
Stare the coup from the center
Who gives a fuck, I'm a sinner
I had dreams of fuckin' Keri Hilson in my Duncans
Woke up naked at the Hilton with a bitch that look like Seal's cousin
Bite the eel by the dozen
(Got to take it for the team)
Bite the eel by the dozen

Put the bass in the trunk
It rattled like a baby hand
Except this toy cost 80 grand
And I'm crazy tan, from all the places that I've been
Just from writing words with a pen
Tell the pilot "land the plane"
No booster Put a jacuzzi on the seven train
And lay John Coltrane play with that cocaine face
I know you're trashed, from that old bay taste
The brass band was seven pieces
My bitch's name is Peaches
We got twin Mac elevens with the features
Shit you barely got sneaker money
So much dick in their mouthes, that's why these motherfuckers speaking funny
You need to speak clearer Dick, cause I can't hear ya
(I can't hear ya)
You need to speak clearer Dick, cause I can't hear ya

The Magic Johnson of the game
These lames don't want to play with me

Smile on your face, but I really know you hatin' me
I know you mad, cause I'm sick, and it's plain to see, it's me

Ride the Harley into the sunset
