

## Beat My Guest

Adam and the Ants

Well tie me up and hit me with a stick  
Beat me beat me  
Yeah, use a truncheon or a household brick  
Beat me beat me  
There's so much happiness behind these tears  
Beat me beat me  
I pray you'll beat me  
For ten thousand years  
Beat me beat me

I'm black and blue baby  
I love you  
Be your dog  
For just one flog  
You don't hear me plead  
For you to make me bleed  
Beat me beat me  
Oh oh oh oh oh  
Oh oh oh oh oh

Well use a truncheon or a cricket bat  
Beat me beat me  
A good beatings really where its at  
Beat me beat me
