

# Cold Shoulder

Adele

You say it's all in my head  
and the things I think just don't make sense  
So where you been then, don't go all coy,  
don't turn it round on me like it's my fault  
See I can see that look in your eyes  
The one that shoots me each and every time

You grace me with your cold shoulder  
Whenever you look at me I wish I was her  
You shower me with words made of knives  
Whenever you look at me I wish I was her

These days when I see you,  
you make it look like I'm see-through  
Do tell me why you waste our time,  
when your heart ain't in it, and you're not satisfied  
You know I know just how you feel  
I'm starting to find myself feeling that way too

Chorus

Time and time again, I play the role of fool (Just for you)  
Even in the daylight when you think that (I don't see you)  
Try to look for things I hear but our eyes never find  
Though I do know how you play

Chorus 2x
