

Ode To The Champions

Adhesive

Who are these people
These doers of deeds
These dreamers of dreams
Who make us believe

Who are these people
Who still win the day
When the odds are against them
And strength fades away

These people are the champions
For they never give in
A heart beats within them
That is destined to win

They follow their dreams
Though the journey seems far
From the top of a mountain
They reach out to a star

And when they have touched it
When their journey is done
They give to us hope
From the victories they've won

So here's to the champions
To all their great deeds
They follow their hearts
And become winners indeed

I know that life can be unbearable
Believe me, I've lost hope so many times
You gotta work hard, as hard as you can
And in the end, faith will come again
