

# Jump The Gun

Adore Delano

Walking in, walking sin  
Everything but a halo (halo, halo, halo)  
Leather dress, nothing less  
Than a villain to take home (take home, take home)  
Love to stare, we prefer  
Getting boys into trouble (trouble, trouble)  
Let you see, such a tease  
Want to dance with the devil?

(2x:)

Jump the gun, we got the boom, boom, bang!  
Jump the gun, we got the boom, boom, bang!  
Jump the gun, we got the boom, boom, bang!  
The boom, boom, bang!  
Got the boom, boom, bang!

Hit the lights, hypnotize  
Feel the heat, we're on fire (fire, fire, fire)  
Don't believe what you see  
Cause my truth is a liar (liar, liar)  
Evil minds, got it right  
Scratch you up if I want to (want to, want to)  
Got my fix, this is it  
Now I don't even want you (want you, want you)

(2x:)

Jump the gun, we got the boom, boom, bang!  
Jump the gun, we got the boom, boom, bang!  
Jump the gun, we got the boom, boom, bang!  
The boom, boom, bang!  
Got the boom, boom, bang!

(2x:)

Oh-oh-oh-oh-oh-oh-oh  
Oh-oh-oh-oh-oh-oh-oh  
(Bang, bang)  
Oh-oh-oh-oh-oh-oh-oh  
Oh-oh-oh-oh-oh-oh-oh  
Na na na na
