

Under My Skin

Aerosmith

You breathe I breathe you in
I like alot where youve been
I maka you break the rules
You got me rockin the blues

givie a little bit get a little bit take it for a ride
when you push love so far away it eats you up inside
there's a girl living under my skin
theres this girl & she's wearing me thin
and you think shes the reason
that its open broken hearted season
theres a girl theres a girl

i know you know you are ...
you are the oh in la la
blow a little kiss get a little bit get a little high yeah yeah
and i can't get you out of me cause your too deep inside

there's a girl living under my skin
theres this girl & she's wearing me thin
and you think shes the reason
that its open broken hearted season
you could spend your whole life trying
you could never be more mine

theres a girl theres a girl
theres a girl theres a girl

get a little bit get a little bit get little high yeah
when you push love so far away it eats you up inside

there's a girl living under my skin
theres this girl & she's wearing me thin
and you think shes the reason
that its open broken hearted season
theres a girl theres a girl yeah yeah yeah
theres a girl theres a girl yeah yeah yeah
and you think shes the reason
that its open broken hearted season

theres a girl theres a girl yeah yeah yeah
theres a girl theres a girl yeah yeah yeah
theres a girl theres a girl yeah yeah yeah
theres a girl theres a girl yeah yeah yeah
theres a girl theres a girl
