

# Young Lust

Aerosmith

young lust  
happy just to be in lust  
never have to eat no dust  
everybody talk about  
young lust  
you're dyin' and you're screamin' inside  
oh you're guilty way before you been tried  
it's crazy but you're diggin' it

young lust  
you feel it in the summertime blues  
oh, easy when there's nothin' to lose  
and baby you been missin' out  
young lust  
sometimes you need it so bad  
it's enough to drive a young girl mad  
so what you gonna do about it

a little bit o' nasty  
you look a little sleazy  
but don't get any on you

young lust  
you better keep your daughter inside  
or she's gonna get a dose of my pride  
yeah, everybody talks about it  
young lust  
once you had it you can never go back  
don't you ever let 'em give you no slack  
when you're streakin' down the alley way

checkin' out the ladies  
who didn't bring their boyfriends  
who love to get in trouble  
I got to say I'll see you later, meet me in the elevator

always gettin' stronger  
never gettin' weaker  
my love is gettin' longer  
I'll keep it in my sneaker  
never keep a secret  
never feelin' guilty  
never gettin' lonely  
never gettin' no peace, hidin' from the police

sneakin' out the back way  
sneakin' down the alley way  
gotta do it my way  
do it in the sunshine  
hangin' from the clothesline  
find another tree to climb

young lust  
there's no time for lovin'  
young lust  
no, don't need one in the oven  
young lust

I'm a-pushin' and a-shovin' it

young lust

come on now I just can't wait

are you fishin' or you gonna cut bait

everybody body doin' it

young lust

honey now ain't it a bitch

sometime you gotta scratch that itch

so what you gonna do about it
