

Kill the Messenger

Aesop Rock

Hey stupid, you're listening to Bazooka tooth, dental cannons, molar pistols
; shit like that.

This is Murs, motherfucker, this is Aesop Rock, Ace Rizzle.

Ya know what I'm saying? Check it out, like, Living Legends, Def Jux, if you
don't know, now you're informed.

Be better prepared for the next time this type of shit goes down.

'Cause when it's happening and you're unaware you look like a complete asshole.

(Fastest motherfucker touching down on kick drums)?

Every leader dead and its making you upset.

La da de dah da da, La da de da da da dow dom

set, set, set...

Every hero dead and its making you forget.

get, get, get.

La da de dah da da, La da de da da da dow dom.

I'm in and out a pig channel serrated by hand feeders.

Army of vicious kidney patrol yam peelers.

They sleep in barns and whisper looney conspiracy secrets.

Increasing payroll to end is blind, while a.w.o.l. went the leaders.

The only mammal officially banned from food chain

For Finishing for over 25 consecutive years on top is aggravating,

Alarmingly, the pulse don't bump right,

and he's up nights bumping over crunk and bug bites.

Who luck like this evening. Stay electric mud blood jockey in for the footin
g.

My last supper starts with a vinaigrette over pickled muppet hearts while sh
eep tucked deep in the wood chipper.

For the shepherd was a milk carton in scissors. Clammy hands make henna run
on risky Jenga tugs.

They're all sweating, Hell I'm sweatin' too, just ain't nobody sweatin' you!
(Holmes!)

The muck went abacus on labor persperator official biz when auditioning demo
s by which to live.

No whammies, Stop.

Triple six game never chose me.

Trickery gets hokey.

Pick up stix and ponies.

you've got mail champ: blow me.

Just a trooper with a question mark machine needy

pointed at the heavens like bee gee on some "where the hells my freebie?"

To clamp war stupid.

No land lords or super. no hands.

Water no ice cubes Rubik, no plans.

No motor movement no dance, no pyrotechnics to enhance. no chance

too many grown men calling in sick over cramps

I weigh in heavy on the jaded bitter subtracting the frontal gimmick

I want to solve world hunger and fuck a pinup

I want to find a 21st century carbon crutch worthy of pedestal placement and
shitty path walking to touch.

(Fastest motherfucker touching down on kick drums)?

Every leader dead and its making you upset.

La da de dah da da, La da de da da da dow dom

set, set, set...

Every hero dead and its making you forget.
get, get, get.
La da de dah da da, La da de da da da dow dom.

Ain't no time to sit and lift stones
so its left to the dogs to find their way home
and you grew up in a similar generation alone
with fist full of humanoid models along the road
with a frank? in your ancient
fuck if i can find a flesh and bone tour guide to etch me through the makesh
ift
every little footprints dated and ancient
now Ima step through this motherfucker impatient

for the first time in a long line of dog fights
little Lassie will not be returning home tonight
