Talk to me and I better not hear a word

Do me baby and I better not feel it girl

I still got one bullet left in my nine

Finna do a lovecrime, lovecrime, finna do a lovecrime

Murder, murder, murder she wrote Lovecrimes

Murder, murder, murder she wrote Lovecrimes, lovecrimes

You write me love letters with your father's pen
If he knew the freaky, freaky things that you write with it
Is it really wrong that I want to be the baby daddy?
Is that a lovecrime, lovecrime? Tell me it's a lovecrime

Murder, murder, murder she wrote Lovecrimes

Murder, murder, murder she wrote Lovecrimes, lovecrimes

Murder, murder, murder she wrote Lovecrimes

In the getaway car You know I love it when the ride is smooth If we ever get caught It'd be a long vacation for two
