

# Stand and Deliver

Airbourne

You took my guitar, You took my amp  
You picked the wrong day,  
You picked the wrong man  
I'm gonna strom your office,  
Gonna kick down your door  
Cos I'm not taking the site no more  
With the devil at my side  
Guitar on my back, I will ride  
To hell, hell, hell and back  
Yeah

Stand and Deliver  
I'm gonna Stand and Deliver

I'm Gonna cause trouble,  
Gonna kick up the town  
Cos I'm not living this one down  
You see me burning up like a wild fire  
You can't put me out cos I'm not for hire  
With the devil at my side  
Guitar on my back, I will ride  
To hell, hell, hell and back  
Yeah

Stand and Deliver  
I'm gonna Stand and Deliver  
Alright!

All I got is a bottle of wine  
Which I got from my latest crime  
Yeah the amps are loud and the lights are bright  
It's gonna be a hell of a show tonight  
With the devil at my side  
Guitar on my back, I will ride  
To hell, hell, hell and back  
Yeah

Stand and Deliver  
I'm gonna Stand and Deliver  
I'm gonna Stand and Deliver  
I'm gonna Stand and Deliver  
Alright!
